„KIIIIRRRKK! What the fuck you're doing? You got swallowed by a Black hole, or what?"

James stared at the bathroom door.

He and his hard cock desperately wanted Kirk to come out.

NOW!

"I'm WAITING! KIIIRRKK!"

"Just one minute, darling," Kirk called, his voice muffled .

James moaned. His erection started to hurt.

Inside the bathroom the hair dryer got on.

Fuck! Another hour to wait!

The hair dryer got off.

"Coming!"

Kirk appeared at the bathroom door, wearing his butt-ugly bunny nightshirt, his head covered by curlers.

James' erection immediately collapsed.

"Jaaaameees! I'm reeeaaady!"

James groaned.

"Well, I'm done."
